The Ultimate Guide to The Emperor's Blades and The Chronicles of the Unhewn Throne by Brian StaveleyBlades-Of-The-Old-Empire

Anna Kashina's Blades of the Old Empire narrates the story of a series of characters including Kara, one of the best mercenaries in the world. The book is a traditional fantasy novel, with swords, villains, good guys (who are somewhat naïve at times), and touches of magic. Blades of the Old Empire had original themes and a promising storyline.

Book Review by SJ Higbee. Have you read this book? This is another book that has been languishing on my TBR pile far too long. So in last days of 2015, I decided to give it a whirl and see if I wanted to read it, half expecting to discard it after the first few pages. I didn't.
