User manuals | Bosch Professional

The tool comes with a couple of handy wood jigsaw blades, a thin kerf blade for precision cuts, and a rather nice carrying case that holds the saw, user manual, non-marring overshoe, accessories and leaves plenty of room for the power cord. Changing blades on the Bosch 1590EVSK is easy. There is a blade ejection level at the front of the jigsaw.

Typically you'll want to keep this on and it will blow air over the cutting line, enabling you to better see the cut as you drive the saw forward. Just below the orbital level is the chip blower lever. That piqued ...

bosch 1590evs problems - vxtreme.com

Anyway, the Bosch 1590EVSK is the first jigsaw I've owned that really is capable of the type of work I had always envisioned for it. I love how the blade locks in securely and stays straight when cutting. (The precision lock on the blade really makes a difference with that.) I've also found that the angle cutting works perfectly and is very useful. In the last month, I've used this saw to get ...
