Dr Abraham has produced a nice update to the Chinese For Dummies series. The 3rd edition dispenses with the CD and instead directs you to go online for the audio samples. This is great news because not everyone has a CD player anymore - but they can usually browse to webpage on their phone or computer.

The definitive guide to understanding Taoism—no matter your background or faith. Lao Tzu's Tao Te Ching is the second most translated book in the world, and the practice of religious Taoism is on the rise in China, where adherents currently number in the hundreds of millions. Yet there remains a remarkable lack of reliable information about Taoism for curious westerners.
