Written to address all grade levels, this K-12 classroom resource provides teachers with strategies to support their culturally and linguistically diverse students. This highly readable book by Dr. Sharoky Hollie explores the pedagogy of culturally responsive teaching, and includes tips, techniques, and activities that are easy to implement in today's classrooms. Both novice and seasoned educators will benefit from the helpful strategies described in this resource to improve on the following five key areas: classroom management, academic literacy, academic vocabulary, academic language, and learning environment. This updated 2nd edition is grounded in the latest research, and includes an updated reference section and resources for further reading.

This Surgeon General's report details the causes and the consequences of tobacco use among youth and young adults by focusing on the social, environmental, advertising, and marketing influences that encourage youth and young adults to initiate and sustain tobacco use. This is the first time tobacco data on young adults as a discrete population have been explored in detail. The report also highlights successful strategies to prevent young people from using tobacco.
